Tuition and Fees for 2026-2027

03/27/2026

Dear IC Families,

The Immaculate Conception School Board, Finance Council and Father Matthew finalized tuition rates for the 2026-2027 school year. Each year we focus on managing increased costs while maintaining a student-to-teacher ratio that promotes a positive and successful learning environment. We will continue to work hard to provide you and your child/ren with the exceptional education you expect and deserve.

The security fee is used to offset some of the cost of security personnel who are present at school each day. The Technology Fee will be used to acquire, install and maintain up-to-date infrastructure, hardware and to purchase licenses and STEM Lab materials. The other portion will be earmarked to purchase new devices on a rotating schedule (chrome books, laptops, iPads).

The Technology, Graduation and Sacramental fees will be billed on the September Blackbaud bill.
