

HINTS AND THINGS TO REMEMBER

- Once you choose the vendor, you will notice 3 symbols below it. The first one on the left is to purchase a physical card. In the center is an exclamation point for ScripNow. On the right is a recycle symbol for reloading cards. Not all may be highlighted. It depends on the vendor on which options are available. PLEASE MAKE SURE YOU CHOOSE THE CORRECT SYMBOL for your purchase.
- Physical cards are returnable however GLS charges a fee of 10%. They charge a \$5 minimum. ScripNow and Reloadables are not returnable. To learn more regarding their return policy, go to: <https://shop.shopwithscrip.com/Support/ordering-scrip-for-coordinators/return-policy>.
- Orders and payment are due Monday by 9:00 A.M. except on certain holidays. Your order will be delivered on Thursday. Orders without payment cannot be processed. Please remind your student to put any orders and/or payments in the school mail.
- When you receive your gift card order, PLEASE CHECK IT IMMEDIATELY and contact Teri Richards with any problems.
- You can look at your rebate total anytime online. THE TOTAL LISTED IS 100% OF THE REBATES EARNED. 65% of this total is your rebate and 35% is the schools. GLS software cannot show the split.
- IC School asks that you earn at least \$20 in rebates to receive a rebate/tuition check. \$20 in rebates is easy to earn! \$800 in Jewel will earn you \$20.80 in rebates!
- Sometimes GLS runs out of cards. You will not see them listed online until they are back in stock.
