Tuition and Fees for 2020-2021

January 10, 2020

To Parents and Guardians:

The Immaculate Conception School Board, in conjunction with the Finance Council and Father Robert, has finalized tuition rates for the 2020-2021 school year. Each year the school administration and the boards focus on managing increased costs while maintaining a student-to-teacher ratio level that promotes a positive and effective learning environment. In preparation for this year's tuition discussion, we performed a thorough competitive analysis of tuition, fees, and fundraising requirements of ten Northwest Side schools to compare to our numbers. We will continue to work hard to provide you and your student(s) with the exceptional education you expect and deserve for your investment dollars at IC.

Every year school fundraising and contributions are vital in keeping tuition increases to a minimum. By supporting the Parent's and Men's clubs community fundraising events, you are contributing indirectly to our school. The school also receives funds through your participation in T.R.I.P. and by signing up for Amazon Smile. You will find additional information regarding events and ways to support our school in our weekly school bulletin on Fast Direct when available. Thank you for your continued support of our school.

If you have any questions regarding the tuition schedule, please feel free to attend the next open school board meeting, e-mail the school board at schoolboard@iccowboys.net or contact a school board member.

Sincerely,
